

Summer 2010

Dear Master Gardener Applicant:

Thank you for expressing interest in the Mercer County Master Gardener Volunteer Training Program of the Rutgers/New Jersey Agriculture Experiment Station. I am enclosing a copy of the program history, components, and requirements and a separate application form. Please read the information carefully. The Master Gardeners of Mercer County is not a "garden club," but is a volunteer service organization to train you to provide information to the public.

The 2011 course begins on Thursday, September 30, 2010 from 9:30 a.m. to 1:00 p.m., and will continue nearly every Thursday through March 2011. Each class will cover a different topic. We plan to have a field trip to the Mercer Educational Gardens in Pennington on a date to be announced.

We request \$200 to cover the costs of the program. If you decide to apply, please enclose your check or money order payable to *Rutgers, the State University* with your application.

Many of your questions and concerns should be covered on the program sheet. If you need more information about our Master Gardener program or the courses, please call me at (609) 989-6830 or the Master Gardener Helpline at (609) 989-6853 to talk to someone who is currently a Master Gardener. You may also access the Master Gardener website at www.mgofmc.org

Mercer County is extremely proud of our award-winning Master Gardeners, their program, and the public response to the information provided. I hope you will want to be included as a member of the class of 2011.

Sincerely,

Brian M. Hughes
